Co-ed Chaos

This pictorial is for all you horn-dogs out there. We went to a classroom and asked the ladies what they were learning in class. After some coaxing we were recited a couple trigonometry equations, an essay on John Milton and a dissertation on the decline and fall of the Roman Empire. We were blown away. Then we asked what they did after school. This was their answer...

We stayed after school with a group of nine co-eds and continued our discussions of world history, economics, and their favorite... biology. After a few minutes, we were shocked, then pleased with what came next... But first, left to right meet... Jordan Kingsley, Kagney Linn Karter, Brynn Tyler, Ashli Orion, Kayla Carrera, London Keyes, Tory Lane, Audrey Bitoni, Alexis Texas... Whew!

What your looking at above is my teacher checking me out for a cheat sheet. I told him I did not cheat, but he insisted I put the paper in my panties. I told him I would show him that I didn't have a cheat sheet, but he insisted that he look himself because he was afraid I might hide it. What happened after, I cannot say, but you can see.

New Haven after dark

There are many things that a young man learns at an Ivy League university. And all are a part of growing. However, there are some things that, when learned, stay with him for life. And they all start on the soccer field.

Around eleven that night I arrived at the party that was at a large house near the university. It was just getting started. Everyone was in the living room throwing back shots. I spotted Allysun and Danielle over by a table with a few other females seated around it. As I walked over I could see Danielle subtly point in my direction to a few of the girls at the table, who were conspicuously staring at me. As I reached the table, Allysun and Danielle both kissed me on the cheeks and explained that I should've gotten there sooner because they were already a little bit drunk.

I'm their soccer coach at this Ivy League university. Been there for about five years and while we have had some pretty good teams, None ever made it to the tournaments. Still, I go out there every day, as they do, and try to get these ladies to do their best and compete. Allysun and Danielle are my two favorite players. They play forwards and almost won the conference title last year. They're both seniors and will be moving on to their in-

dividual careers. We've hung out after practice a few times and have become kinda friends. As friendly as the university will allow. But I digress...

I went over to the table and they had already ordered a few shots for me. I downed them one after the other. All the girls applauded and I bowed playfully, then Allysun introduced me to two of their very sexy girlfriends, Chyenne and Sadie, not soccer players, though. Chyenne was about five-foot eight, with long legs and a small but still very curvaceous butt. She wore a dark blouse that matched her short brown hair and accentuated her ample breasts. Sadie, on the other hand, was an inch or two shorter and dressed casually in a vest (no shirt) and jeans.

After a few more drinks, the four girls started to get pretty wild while I was still just a little tipsy. Before I knew it, Allysun and Danielle were dragging me off to the dance floor for some pornographic grinding. I could

see Chyenney and Sadie talking to each other as I left, quietly giggling to themselves. We got onto the dance floor right as all the girls let out a scream of delight at the next song. I was surprised at how few guys there were at the party. Out of the thirty plus people at the party, there were maybe ten guys, so the dance floor was crowded with girls dancing with each other. But now, I was a little confused about how to grind with both Allysun and Danielle at the same time. So the girls quickly figured out that if they pushed my legs out, they could get both their asses on my crotch at the same time.

I started to rub my hands on their thighs and eventually their pussies and they loved it and were definitely ready. As the song changed to a fast techno beat and the light got dark and then flashy, I placed a hand on each of their pussies and started rubbing faster and faster. With that, the girls took both my hands and led me upstairs. We quickly entered into the room and they literally threw me down onto the bed.

But, before I was about to pull them close they stepped back and appeared to be waiting for something. Suddenly, I heard two voices behind me and as I whipped around I saw that it was Chyenney and Sadie emerging from the darkness. I looked toward the girls and they seemed to be half ashamed and half excited. I looked back at Sadie and without hesitation, she mounted me and started to kiss me with her long, wet tongue. At first, her kiss was so mesmerizing and I didn't want it to stop, but I remembered Allysun and Danielle were in the room so I looked at the girls and they looked back encouragingly and without looking back I pulled Sadie close and kissed her hard, pulling her sexy body close to mine. Chyenney then appeared at my side and kissed me hard,

her wet tongue moving over mine. I laid down on the bed and both girls took off their tops and bras rather quickly. I quickly took off my shirt and laid down with the girls right on top of me.

They started to rub up and down my chest getting closer and closer to my cock. I quickly put Chyenney over my face and started to lick and tease her pussy while Sadie moved down to my underwear. I didn't want to make it seem like I liked it too much because Allysun and Danielle were

just watching me. I looked to my left as Chyenney moved her hips back and I saw the girls staring at me, not with spite but with ecstasy. I looked farther down and noticed that they weren't wearing any clothes and were masturbating while I fucked the other two. I felt a new energy flow through me and I went deep into Chyenney's pussy. Sadie's curiosity peaked after watching me eat out her friend and pulled my briefs.

My cock burst out like an explosion and slapped the side of her face. I felt Chyenney turn around to see and before I knew she had switched places with Sadie. While Sadie and I were sixty-nining, Chyenney decided to help suck my cock. I tried to concentrate on eating out Sadie, but the girls sure knew how to suck cock. I swear I could tell the difference between their mouths. Chyenney started to lick and play with my balls while Sadie began to rub her saliva into my throbbing cock. Her lips were so wet and I could feel her hand grip the base of my cock and she raised her head up and down moving faster and faster, I let out a moan and it only seemed to increase her skills.

I decided I should start doing my part and started to work on Sadie's tight pussy so I poked my tongue along her outer lips and then worked my way inside, feeling her pussy clamp around my tongue. I proceeded

to work my tongue in and out while rubbing her excited clit, her hips pushing harder and harder onto my tongue. I felt her pussy clamp down and spray her juices all over my face, she paused from sucking my dick and let out a long and deep moan, her body shaking in orgasm. Sadie then started to vigorously pump up and down with her mouth, every few seconds she would turn her head and wrap her tongue around the tip. I gave her a slap on the ass and she sucked harder.

her pussy by rubbing the tip of my cock between her pussy lips ever so slowly. I noticed her hips moving back and forth as if they were beckoning me and so I pushed my dick as far as I could into her and she let out one of the loudest moans I have ever heard.

I grabbed her hips and started to go in slow and steady movements and thrust hard at the end which caused her to grip Chyenne even tighter and eat her out even faster. Meanwhile, Chyenne seemed to be

Before Chyenne got too far into it, Sadie pulled her mouth off my cock and started to passionately kiss Chyenne which turned me on so much. After a minute of deep tongue kissing, Chyenne mounted me and as she went all the way to the base I could feel her cum again. I could feel her grab my legs for support as Sadie licked the cum off my cock and Chyenne's quivering pussy. I held Chyenne's arms behind her to go even deeper and she moaned loudly as I started to push in and out of her. Her pussy was so tight that it made me wonder if she ever had sex before. Every once in a while she would raise her hips so that Sadie could lick her pussy and suck all her juices off my cock, but before she entered I would rub my cock along her pussy lips, teasing her to the point of moaning. I thrust upwards to meet her hips as she went down. As she bounced, I felt her pussy grip my cock again and she let out a yell of ecstasy and her whole body shuddered as Sadie licked the rest of the cum out of her quivering pussy.

I laid Sadie down on her back and without saying anything, Chyenne straddled Sadie's face and pushed her pussy onto her waiting tongue. I'm not sure what came over me but the smell of Sadie's pussy and the look in Chyenne's eyes made me want to go insane, so I quickly grabbed Sadie's hips and pulled them close to my cock. At first, I didn't go all the way in but I teased

enjoying herself as she moved her hips back and forth over Sadie's nimble tongue, occasionally throwing her head back in pleasure. I leaned forward to kiss her and as our lips touched and tongues massaged each other's, I wanted to finish because I sensed this was going to be a big one. I started to gather my last reserves of strength and used it to fuck Sadie harder. Suddenly, she stopped eating out Chyenne and just moaned louder and louder after each thrust before she was screaming and cumming again. I was so proud of my thirty-nine year old self that I could make two extremely hot girls cum their brains out at the same time.

I could feel my cum ready to explode and pulled out, ready to explode. Both the girls got on their knees right in time as I shot what I thought must have been a hundred loads into their open mouths. After I had finished, Sadie and Chyenne started to make out with each other, trading my cum back and forth and then finally swallowing it. As we all started to put our clothes back on, Sadie and Chyenne went over to Allysun and Danielle and said that was a damn good fucking. Danielle and Allysun hugged each other happily and then came over to me and they kissed me passionately on the lips. As Chyenne and Sadie left the room, both Allysun and Danielle thanked me immensely for helping them out, obviously unaware that it really was my pleasure.

Georgie & Ava

For some reason, my R.A. (Resident Assistant) Miss Lyall, did not like over-hearing me call her Georgie to a classmate. "It's Miss Lyall to you!" she said as she set about reprimanding me!

MONIQUE IN THE SPRING

I decided to go to college in France. At first I was going to go to the south of France but thought Paris would be better. I had traveled there many times before and felt pretty confident I could live and school there. Look out City of Lights, I may blow out a bulb or two.

I love Paris in the spring!

She told me she couldn't wait for us to get some time alone this spring. Our junior year at the college was about to end and an English university in Paris as spring break was about to come. Monique agreed to not rush things and wait until we had some time together. We didn't have to wait long. My parents were about to fly back home after a short visit. That means I got the city to myself for the rest of the school year. I promised them no parties and I intended to stick to it. Monique has been together now for three years.

I drove my folks to the airport and saw them off. They reminded me to be good and I reassured them as best I could. When I drove home, I stopped by and picked up my girl and we went back to watch some movies on the TV. We went into apartment and I put a movie on. Within a minute Monique practically pounced on to me nearly

knocking me off the couch. I regrouped and said we should really go to the bedroom instead of messing up the sofa. We practically ran to the bedroom, removing our clothes on the way there. By the time we reached the bed we were both naked, and even though having seen her naked before, I was once again mesmerized by her beauty. This time though I decided to take over and quickly grabbed her and lay her down on the bed. This surprised her but I could also see she liked it. I gave her a quick kiss on the lips, then started kissing down her body, stopping at her nipples to suck them one at a time. I threw in an occasional soft bite which caused her to wince and giggle which just encouraged me.

After a few minutes of alternating between her nipples, I continued to kiss down her body until I finally reached her pubes and on to her pussy which was pretty wet by this point. I traced my fingers around her labia, teasing them and her slit, occasionally dipping a finger into it. Wanting to please my lady, I slowly inserted one all the way in and wasted no time thrusting my fingers in and out of her pussy. I continued doing it until she seemed to really get into it, moaning louder and louder. Then I took more initiative to try pleasure her more, I inserted one more finger, then another. Each time she would moan louder but I somehow felt I wasn't giving her enough. I pulled out my fingers and licked them, and as it turns out, it didn't taste bad. In fact, it had an interesting taste I couldn't explain, so back in they went.

I leaned closer to her pussy and licked up and down the slit. This sent shivers through up and down her body and she froze for a moment. I'm thinking she must have had a mini orgasm. And so I stuck my tongue as deep into her as far as I could and tasted her insides. I started pushing my tongue in and out and occasionally coming up for air. I focused my tongue more on her swollen clit and gave it a bit of sexy tongue-lashing. I could instantly tell that she loved it and it pleased her immensely. This brought her to an intense orgasm, her legs locked around my head and she screamed my name out loud. Her juices came gushing into my mouth and I took as best I could. I wasn't used to having my face flooded with lady cum. When her orgasm finally passed, she let me go and I lay besides her waiting for her to fully calm down. Minutes later she finally stopped breathing heavily and looked at me with a satisfied look.

"My turn." she said and began slowly teasing just like I did her, slowly rubbing my cock head. Then, ever so lightly sliding them down the shaft and giggled. She definitely knew how to tease. Now every time my cock slid through her hands, she would stick her tongue out and lick the tip. This caused both pleasure and frustration as I was happy to have her tongue on my cock but wanted it in her mouth and deep down her throat. She finally grabbed me by the base and began to lick and slap her tongue against my balls. The whole time she kept her eyes looking up at me occasionally she would back off and give me a seductive smile. This girl knew how to work a cock! Then she slowly brought her tongue up and licked from the base to the tip sending shivers throughout my body. I had enough off this teasing, I couldn't take it anymore.

She engulfed the head of my cock and I placed my hand on her head and gently brushed some hair out of her face as she worked more and more of my cock into her warm moist mouth. Monique ran her tongue all over it while applying just the right amount of suction and stroking what part of it wasn't in

yet. I soon felt the entrance of her throat as she kept taking more of my swollen cock. Still being a tease, she would start to slide part of the tip into her throat before pulling back and then doing it again. Oh, yeah, she was good.

I reached down and slid my hand to her chest to feel those amazing boobs. This got what I could make out as a smile as she still had my cock in her mouth. Then, Monique, with her free hand grabbed my balls and squeezed lightly giving a nice feeling combined with giving me head. She then slid my cock out her mouth and began stroking me as she sucked my balls. She revisits my throbbing cock and wraps her smooth fingers around it and went to work again keeping one hand on my balls and rolling them around in it.

I closed my eyes to enjoy the feel of her wetness around of my cock, then opened them to the sexiest sight ever. My girlfriend was looking straight into my eyes as my cock was slowly being sucked deeper and deeper into her mouth. The feeling was beyond words and when she stared twirling her tongue around it, I knew I wouldn't last too long before I shot. And I didn't. I couldn't stop myself because I was well

past my limit and erupted into her mouth – hard. She sucked and sucked and I could feel her try to swallow everything, but some slipped out the corner of her mouth, which I found to be extremely hot. Finally, I finished unloading into her mouth and she licked up everything. All I could say was 'Damn girl!' She told me she liked the taste of it and wanted more. She was staring at my still hard cock with a grin. I started to get up to get on top of her but she stopped me. She told me she wanted on top and I was only too happy to oblige.

And with that, she lowered herself slowly onto me and my cock head went in with ease. She slid up and down on my cock with her hands on my chest for support. This felt so good that I couldn't help but groan out loud. Eventually, she slowed down and sat on me so that was all the way inside her, and her eyes were wide open with a look of pure satisfaction. Monique grinded down hard on my cock and then started to move her hips up and down the full length of it, moaning louder and louder every time she did. I couldn't help but start thrusting upwards to meet hers until we worked up a rhythm which we kept to a pace that increased until we were practically bouncing off the bed. It wasn't long before I felt her pussy squeeze my cock and that sent me over the edge and I unleashed a huge load deep inside her. I coated her insides with my cum and she must have been feeling it all because she went wild screaming out.

When we were both done cumming we both just collapsed on the bed and closed our eyes and fell asleep. Our adventures continued on the spring break with her mostly sleeping over and we fucked on nearly every surface inside. After some of our lengthy love-making sessions, we'd go down to the Seine River and stroll along the walks, and lovers in Paris do. No matter what the future holds for either or both of us, this will be a time I will always remember, as I will always remember Monique.

Alicia

had not finished doing her homework. Already running late for the party she was supposed to be going to, that's when her tutor showed up. She explained that she wanted to go to the party, but he said he had driven for an hour to get there. It wasn't his fault that the traffic was so bad, or that he ran late. So they studied for an hour and by now Alicia had missed the start of the party and her interest in going to it. Now he interests her.
